

LUMBER PILERS

Barriere, BC

Are you looking to build work experience while staying active and fit? Woodco is looking for candidates with a positive attitude and in good physical condition to support our mill operations team.

Located in the community of Barriere, Woodco is a family-owned business with deep roots in the BC forest industry. They provide excellent products at a good price, servicing the local community with specialty cut lumber and industrial markets with timber mat and bridge components.

Barriere is a beautiful place to live with abundant recreation at its doorstep in a relaxing home-town atmosphere. Fish to your heart's content as there are plenty of places to go. In the winter there's snowmobiling, ice fishing, and exploring the backcountry on snowshoes or cross-country skis. Just 45 minutes away provides an easy and scenic commute to Kamloops where you can enjoy the wide range of amenities in a larger centre.

Why Woodco?

- 7-4:30 shift – Monday to Friday
- Home every night
- Skill development and training opportunities for career progression
- Woodco is a private, family-owned company with responsive management

We're looking for someone in good physical condition with reliable and strong work ethic. They would have the ability to work effectively in teams and interact positively with other team members. Good verbal and written skills. If you are looking for a reliable work schedule and team-oriented environment - Woodco wants to hear from you!

Who we're looking for

What will you do?

You will support milling operations by piling timber and lumber products. This will include:

- piling timbers, lumber and slabs
- daily cleanup and assistance with maintenance
- sorting, grading, packaging and tallying as directed

Are you looking to advance your career? There are opportunities for growth and development where skill levels and attitudes are aligned.

Barriere, BC
