

## **Barriere, BC**

# **LOG YARD ASSISTANT**

### **Roles/Responsibilities**

The Log Yard Assistant is responsible to support scaling, mark/measure logs and support log yard activities. Specific responsibilities include:

- Run the weight scales for incoming and outgoing logging truck loads
- Weigh scale loads as required to meet MOF sampling requirements
- Complete daily section tests on the weight scales
- Assist the scaler with grading and marking of logs
- Assist the scaler with company and MOF samples
- Assist with log yard inventories
- Other duties as directed

### **Shift**

**Daily:** 6:30am - 4:00pm, ½ hour lunch on employee time, 2 x 15 min paid coffee breaks. Days may start earlier or go longer if trucks require scaling outside normal working hours.

**Weekly:** 5 days per week with 1 extra day per week for month end inventory

**Pay:** \$20-\$22/hr per hour

**Reporting to:** Rod Fowler - Operations Manager

### **Other Contacts**

- General Manager - John Drew

### **How to Apply**

Please email a resume to Kyla Morrison - Administration Manager by December 9, 2024.
